Abel Tasman Eco Boat Tour

Explore the Abel Tasman National Park in New Zealand with Abel Tasman Eco Tours and boat charters. Our full day eco tours will transport you to a world of golden sands, crystal clear waters and majestic native New Zealand forests. Our Abel Tasman tours are one of the most spectacular New Zealand eco tours available.

Explore the coastal wonders and hidden waterways where marine and birdlife can be seen in their natural habitats. Your experienced guide will teach you all about the amazing conservation story unfolding around you in the Abel Tasman National Park, the different wildlife that lives here and the dedicated people that work to help them thrive.

On the Eco Boat Tour you can expect:

- A tour from magical Marahau, the gateway to the park.
- Flexibility and friendliness.
- The personal touch: let us know your interests and we will provide!
- Small groups and your own water taxi 'Zeehaen' skippered by your world-class guide.
- Inlets, rock pools, open sea, predator free islands.
- Marine mammals, land and sea birds, fish, plants, invertebrates and more.
- An easy and stunning guided walk around Pitt Head ecological island, with incredible views.
