

High Leys Lodge

Te Anau, Fiordland

B&B Accommodation

Located 4 kilometres out of Te Anau along the Milford Road, our home is set in 5 acres of established garden. With panoramic views of Lake Te Anau and the Fiordland National Park, High Leys offers an adult only, exclusive, peaceful & luxurious escape. There are 3 double rooms, all with private en-suite bathrooms.

A gourmet a la carte breakfast is provided each morning, and a complimentary glass of NZ wine and cheese platter are served each evening. Much of our fresh produce is either home grown or sourced locally.

The lodge is set up for you to enjoy the extensive views from the guest lounge and dining space, where we invite you to mix and mingle with the other guests and take advantage of the complimentary tea, coffee and home baking on offer throughout the day.

Take a walk around the garden or relax on a lounger with a book or magazine – the options are endless. If you want a picnic blanket we can provide this for you.

On a clear night, our minimal light pollution means the lodge is also a great place for star gazing.

The **Luxmore King Room** is the largest of the rooms offering a super king bed with stunning views towards the north end of Lake Te Anau, across to Mount Luxmore and over the garden. There is an en-suite bathroom with salon-grade ecologic guest amenities which cleanse both the body and soul. They contain certified Fairtrade ingredients and are packaged in recycled plastic bottles.

The room also has an outdoor deck with seating.

The **South Arm Room** is a second king room. It has stunning lake views over the garden and across to the South Arm of Lake Te Anau where you can watch the boats cruising up and down the lake. With walk-in wardrobe area and en-suite bathroom with walk-in shower.

The **Takatimu Room** has a queen bed and a beautiful view over the garden. It has an en-suite bathroom.

Guest Areas

In addition to their bedroom, all guests have access to the large guest living and dining room where they can sit back and enjoy the ever-changing view. A large gas fire offers additional ambiance and warmth on a cold day.

On hotter days a large terrace to the front of the house accesses the garden, and a courtyard to the rear offers an alternative sheltered space to sit and relax.
