

Abel Tasman Charters has 2 luxurious boats and offers a daily trip into the Abel Tasman or private charters.

Avoid the crowds and visit deserted beaches. Try a spot of kayaking in the shallow sandy bays, jump off for a refreshing swim or walk over a headland and rejoin the boat at the next bay. Enjoy a great lunch on board.

Locally owned and operated, your skipper can show you the local flora, fauna and tell you about the local history.

## Abel Tasman Scenic Cruise

Join one of our comfortable launches at tranquil Stephens Bay. Cruise the coast of the Abel Tasman National Park and relax. Your day may include kayaking, bush walks, and swimming or simply stay on board and enjoy the sights and surrounds of New Zealand's most enchanting National Park. Lunch and all equipment provided. Our trip is limited to 10 passengers and your skipper will be your guide to the wildlife, flora and history of this unique coast. As a charter boat we can land and explore secluded beaches that are closed to water taxi operators.

Departs 10am | Duration 6 hours

## Exclusive Charter options
